

UCL create insights the help us improve strategy regarding student numbers.

- e. Christoph Linder requested a demo of the new system is possible.
- f. Sophie Harrison made the point that there are protections for UCL with regard to withdrawal agreements for the first phase. However any future commercial agreements between UCL and the supplier are still to be confirmed.
- g. Beth Beasant asked if work can be done to identify staff that will interface with the system and to get those people involved to give assurances to Deans.

**APPROVED** The committee endorsed the LBC with the caveat of the comments above. It is approved
